

INSTRUCTIONS TO AUTHORS

Manuscripts

Preference is given to articles in the English language, but German, French and Italian are allowed.

Authors are requested:

- a. either to send their final text on diskette or cd-rom to the editors, accompanied by a print-out of the text;
- b. or to e-mail their final text as an attachment in Word 1997-2003 to editors@talanta.nl, accompanied by either a PDF-file or a print-out to be sent by ordinary mail to the editors.

The diskette should contain a plain text. Accents, umlauts etc. should be indicated in accordance with ASCII. No formatting of the text should be included: codes for character fonts and sizes, **bold**, *italics* etc. will be inserted by the editors. The diskette should be accompanied by a printout on which the author can mark italics, bold etc. in pencil. Please, list the following information on the paper printout: type of computer and the name of the used software (preferably a WORD-version).

Authors who are unable to comply with this rule should contact the editors.

Authors should retain a copy of their article.

Illustrations

All illustrations (photographs and line drawings, maps, plans, and diagrams) are to be considered as figures. They should be numbered in one series in the text in their order of mention. Final versions of diagrams, drawings, maps, and plans should be on white non-transparent paper or sent as glossy prints on photographic paper

Captions to the illustrations should be stored as a separate file on the diskette and be printed on a separate sheet. Photographs should be glossy prints showing clear details.

Figures included in the text file (word document) should be sent as a separate picture file (JPEG, TIFF or PDF) as well.

Alternatively, all illustrations may be scanned or saved as digital photographs at the highest possible resolution, and be sent to the editors in a digital form on a CD or diskette. Always send a printout version of the illustrations with it.

The exact provenance of each illustration, with acknowledgement of the right of reproduction, must be provided.
